

MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY	SATURDAY
 <p>World Cancer Day happens every year on February 4th! Have you received your cancer screening? The Day aims to save millions of preventable deaths through education, awareness, and by pressing governments, and individuals across the world to take action. Cancer screening detects cancer at an early stage when there is a better chance of treating it successfully. Screening is for people who do not have any cancer symptoms. If you are interested in screening, please contact your primary care provider.</p>			<p>1 10:00am – 11:00am Walking Group 10:00am – 12:00pm Creative Play 10:30am – 12:30pm Breastfeeding Support Group @AP 2:30pm – 4:30pm Art Café Drop-In 3:30pm – 4:30pm Sexual Health Drop-In</p>	<p>2 2:00pm – 3:30pm Anger Management*</p>	<p>3</p>
