🛑 COVID-19 Self-Screening

Please do the COVID-19 self-screening questions **before you enter the building <u>on the day of</u> your appointment**

Clinic staff will need to screen you prior to your appointment if you're unable to screen online

You will be asked to show us your screening results

If you answer yes to any of the questions, please inform reception as you will be asked to wait in a separate room

Please scan the QR code to access the questions

- ❖ **iPhone and Android phones:** scan by using your phone's camera or by using a QR code reader application
- ❖ You can also visit this website to self-screen at https://covid-19.ontario.ca/screening/customer/
